Comments: The ship worked with Colonial 18 Theatres in Lawrenciville and it went extremely well. We were there Opening weekend and Thanksgiving weekend as well. We passed over several hundred flyers for Starfleet Atlanta, Starfleet, and KAG. The local Kag ship was present and it was the first time we have worked with them, it went very good, so much in fact that the KAG Quadrant Commander declared war with us. Not to worry, we are challenged to a Blood Fued to commence at the Vulkan here in Atlanta in April. We look forward to working with them more pover time. The theatres asked us back for all three openings of the Star Wars movies in Jan-March. We accepted.
