

CHAPTER ACTIVITY REPORT

USS *Republic* NCC-1371

April 2006

The April 2006 meeting of the USS *Republic* NCC-1371 was convened at 8:00 p.m. at the home of Eric L. Watts. Present and accounted for was Eric L. Watts and his two cats. Absent Excused was Mike Henigan. Absent Unexcused was everybody else.

In the absence of the commanding officer, Watts called for the reading of last month's meeting minutes. Watts then reminded himself that last month's meeting was cancelled by the commanding officer. Since there were no minutes from that meeting to be read, he withdrew the request.

Watts then gave the Quartermaster's report for the first quarter of 2006. He called for a voice vote for approval: "All in favor of this report, say 'meow.'" The vote was unanimous and the report was approved, two votes meow, no votes nay. The cats have it.

Watts then called for discussion of upcoming *Republic* events. One of the cats simply laid down and went to sleep, while the other started licking itself in places best left unidentified. Due to an apparent lack of interest in the topic, this discussion was tabled.

With no further business to be discussed, the April 2006 meeting of the USS *Republic* NCC-1371 was adjourned at 8:04 p.m.

Respectfully submitted,

Eric L. Watts
